

# CAPABILITY STATEMENT

## Nuelene Holdings LLC

---

### Company Overview

Nuelene Holdings LLC is a Texas-based professional services firm providing implementation support, systems coordination, training, and post-deployment assistance for enterprise software platforms. The company supports Prime contractors delivering complex technology solutions by assisting with configuration support, data preparation, user onboarding, and operational stabilization.

Nuelene Holdings LLC is structured to integrate seamlessly with Prime vendors supporting public-sector clients, including counties and municipal agencies, and focuses on practical execution, user adoption, and long-term system sustainability.

---
